# REGISTRATION INSTRUCTIONS & INFORMATION

(please keep this form for future reference)

**PLEASE** put your **child's name and program(s)** attending on all correspondence.

**PRIOR TO REGISTERING**, Please read the **Kroka Parent/Student Handbook**. This handbook, along with all other paperwork and forms mentioned here, can be found at our website, [www.kroka.org](http://www.kroka.org), or call our office **(603) 835-9087** to get a copy by mail.

**On a separate sheet of paper**, have your child answer the student questions [on the other side of this paper] in his/her own words, preferably handwritten. If appropriate, feel free to have your child dictate the answers for someone else to write. Note that returning 3<sup>rd</sup> year students and students of day programs are exempt from this part of the application process. These questions allow us to make sure students have signed up for the appropriate program. It is important for students to answer these questions to the best of their ability. Don't forget to attach this to the registration form!

**Fill out the Registration Form completely.** If you are applying for financial aid, complete the scholarship application and return it with your \$100 deposit, along with all the items listed above. **Mail the registration form**, your child's application answers, and your deposit check or credit card information (for 50% of the total tuition) made out to Kroka Expeditions <or> a \$100 deposit and your completed scholarship application, to: **Kroka Expeditions Summer, 767 Forest Road, Marlow, NH 03456.**

**By April 1<sup>st</sup>**, you should have obtained, completed, and mailed to us a Medical Form, and Release Form, and also sent the remaining amount of your tuition due. Students age 13 and up will also need to complete and submit a Student Contract. **If you are submitting your registration form after April 1<sup>st</sup>**, the full tuition amount is due along with your registration form.

**Acceptance packets** will be mailed to you during the first week of May, assuming that all of your forms and tuition payments have been received. This packet will include a packing list and a more detailed description of your child's program(s). Certain programs will also require a small **extra materials fee** (typically in the range of \$15 - \$35). This is for the cost of special materials needed for craft projects such as paddle, backpack, or moccasin making. If applicable to your program, the information about this fee will be included in the specific program description that will be sent to you as part of your acceptance packet. This fee will be collected as part of the check-in process on the day of your child's program start.

**AFFORDING KROKA:** Kroka Expeditions is committed to allowing participation for everyone, regardless of ability to pay. We are able to sustain this as long as every family consciously pays as much as they can afford.

**SLIDING SCALE FEE:** Open to everyone. This is an honor-based form of financial aid.

**PAYMENT PLANS:** Payment plans can be arranged by calling our office. There is a \$50 fee for this service.

**SCHOLARSHIPS:** Scholarship applications should be completed and mailed in with your registration form and **must** be accompanied by a \$100 deposit. Applications are available at our website, or by calling our office. Eligibility is based on income and circumstances. Your deposit will be refunded if you are not satisfied with the scholarship amount.

**MEMORIAL SCHOLARSHIP FUNDS:** Noah Simring and Julie Seiler Memorial Scholarship Funds: Two \$500 scholarships are available annually to qualified students. For more information and guidelines, please see our website or call the office for details.

**BARTER:** For more information, see our website or call the office.

**PROVIDING OPPORTUNITIES FOR OTHERS:** Kroka Expeditions was founded on the important principle of serving children and families regardless of income. In the summer of 2008, we contributed over \$56,500 in financial aid to families. In the spirit of supporting Kroka's mission we ask you to make a tax-deductible donation to our scholarship fund. There is space for this on the registration form. All the money in our scholarship fund offsets the tuition reductions on our sliding scale fee and provides financial aid that is needed by families beyond the sliding scale. Again, all donations to the scholarship fund are fully tax-deductible. Thank you!

**CANCELLATION POLICY:** Your deposit is non refundable (unless you are not satisfied with the scholarship amount). Any tuition payments made beyond the deposit will be refunded only when cancellation occurs prior to April 1<sup>st</sup>. In some cases (such as cancellation due to unexpected injury) tuition may be credited toward the following year.

**REFUNDS:** There are no refunds issued for students dismissed from the program due to illness or disciplinary reasons, or for students who choose to withdraw early from the program already in session. If a student must leave due to an injury incurred while on the program, a prorated portion of the tuition will be refunded.

***Kroka Expeditions does not discriminate on the basis of gender, race, age, sexual orientation, religion or national origin.***

## **Student Application Questions: (for 1<sup>st</sup> and 2<sup>nd</sup> year students of overnight programs)**

Please use a separate sheet of paper for your answers to these questions. You could number your answers, but there is no need to re-write the questions.

You can get help with your writing if you need it, but **please answer these questions with your own words**, (not your parents' words).

Remember, There are no "right" or "wrong" answers. We just want to get to know more about you and the experiences you have had.

When you are finished, attach your answers to the Registration Form and mail them to Kroka.

- 1. Why did you choose to come to Kroka Expeditions?**
- 2. What are some things you hope to learn or are most excited about doing while you are with us?**
- 3. How do you like to spend your time when outdoors?  
What do you do to stay physically active?**
- 4. What are your hobbies or favorite things to do?**
- 5. Tell us about one thing you have done that you are proud of.**
- 6. At different times on your program you may be hot, cold, tired, hungry, bothered by bugs and frustrated with other people. Please describe how this will be for you, and how you might act at those times.**
- 7. We live as a family here at Kroka. You will be responsible for helping with chores, caring for your belongings and living respectfully within the group, many times putting the groups' needs before your own. How will this be for you?**
