

# KROKA EXPEDITIONS SEMESTER PROGRAM

Where Consciousness Meets Wilderness

## Steps in the Application Process

Kroka Expeditions Semester Programs do not have a registration deadline. We have rolling admissions for up to 14 students and once the program is full we will start a waiting list. Please make sure to follow the steps in the application process and to apply early in order to ensure your place in the semester.

1. Send in the completed application packet with a \$ 100 application fee.  
(See the "Checklist" on the bottom of the application form.)
2. We will contact you for an interview. For students who live far away we will conduct a phone interview.
3. If your interview is successful, you will be accepted into the program and Kroka Expeditions will send you the Acceptance Form.
4. Your signed Acceptance Form and a deposit of \$2,000 (applied to the tuition) will guarantee you a place in the program.
5. If you need to apply for financial aid, you may request a financial aid application form after you have been accepted. Once we receive all the necessary financial aid documents the financial aid committee will process your request and adjust your contract accordingly.
6. We may require applicants and accepted students to come to Kroka for a short pre-trip. The dates will be announced at least one month before the trip. Students living too far or in special circumstances will be granted an exception to this requirement.
